Education background, current position and place of employment

Teacher, Randersgades Skole, Copenhagen, Denmark

I finished my studies in 2010 at Frederiksberg Teachers College in Copenhagen.

Teaching experience within the field of early foreign language learning and plurilingual education

I have primarily been teaching in Primary one and two and Secondary one (age 6-15) in mainly English, Danish, PE and Home Economics.

Main areas of interest and/or research areas within the field of early foreign language learning and plurilingual education

I am interested in how we can develop some material that has a plurilingual dimension and still teaches them the target language. Introducing linguistic strategies when acquiring a new language.

Project participation within the field of early foreign language learning and plurilingual education

I have been involved with the DELANOBA (Developing Language Awareness in the Nordic and Baltic countries) project from 2013 to 2016 and I am currently involved with the A.P. Møller project "Tidligere sprogstart/Earlier language acquisition".

Five key publications within the field of early foreign language learning and plurilingual education
